The Hahn Garden does not have tents for you to rent directly from us. Events renting tents from rental companies will be charged a \$200 tent fee from the garden. This is to cover the added impact to the garden, coordination between the garden and your vendor for set up, and ensuring a VT tent permit is filed and approved if necessary for your tent. If you choose to rent a tent after your initial booking you will be sent an invoice for the \$200 tent fee.
