Suspended Squares

By Anne Panella

Artist Statement: Group Statement: The collection of works called Suspended Segments has the commonality of two or more components joined together to form outdoor art. Each of six artists has interpreted this feature in her own way to create unique works to enhance the garden environment. Materials include glass, fabric, metal, wood, and other elements gathered from nature.

Artist Biography: Anne Panella maintains a strong interest in creating textile and fiber art. Her creations are eclectic and often inspired by the natural environment. They are frequently experimental and focus on using materials on hand. She is a member of the Textile Artists of Virginia (TAVA), the Studio Art Quilt Associates (SAQA), and The Quilting Party (TQP).
